LEGISLATIVE COUNSEL'S DIGEST

AB 3008, Committee on Budget. Budget implementation: education finance.

The Budget Act of 2001 makes appropriations, including appropriations in regard to the state's funding obligations for school districts and community college districts, for support of state government for the 2001–02 fiscal year.

This bill, in augmentation of the Budget Act of 2001, would reappropriate designated appropriations made in that act, relating to various educational programs in the total amount of \$1,796,591,000, to the Trustees of the California State University for the support of the California State University for the 2001–02 fiscal year.

This bill would appropriate \$503,433,000 from the Proposition 98 Reversion Account for transfer to Section A of the State School Fund, for allocation by the Superintendent of Public Instruction to school districts, county offices of education, and other agencies for the purposes of adult education, as specified, for costs incurred in the 2001–02 fiscal year.

This bill would declare that it makes appropriations for the usual and current expenses of the state, thereby taking effect immediately.
